

# Family Scout Day

Saturday, May 23, 2020

Pavilion D-1

## It's a Scouting Event where you leave the Planning, Entertaining and Cooking to us!

Idlewild's **Family Scout Day** offers the perfect blend of entertainment, education and FUN! The program is open to all Girl Scout and Boy Scout troops and, because family participation is the key to any troop's success, family members are invited too!

You can spend the day enjoying Idlewild & SoakZone rides, water attractions and entertainment - *just for the FUN of it!* Use our natural surroundings as a backdrop for some educational troop activities or badge work. Between all the fun, enjoy a delicious meal with our convenient "Easy Eats" meal vouchers, allowing your guests to eat what they want, when they want!\*

To participate in this year's event, simply complete the attached reservation/order form and forward it with full payment to our office. Orders must be received no later than Monday, May 11, 2020.
