| | Serpentine Slides | 3 | 48" TALL | N/A | 250lbs max weight |
| | Tipping Bucket | 2 | | NO MINIMUM HEIGHT | |

A rider safety sign is posted at the entrance to each attraction and guests are strongly encouraged to review this information before participating. Most attractions cannot accommodate handheld infants. A handheld infant is defined as, "a child who is unable to independently walk onto or off an attraction and maintain posture control in a seated upright position." In general, guests should: 1) be in good health, 2) have the ability to brace themselves from unexpected stops and turns, 3) maintain posture control to remain in an upright and seated position, supporting their own head and neck throughout the ride, and 4) understand and follow verbal instructions given by the attraction operator. At most attractions, riders using wheelchairs will have to transfer from their wheelchair to the attraction by themselves or with the assistance of a member of their own party to be able to participate. Please stop at Guest Services, located in Hootin' Holler, for assistance with height checks or answers to common questions regarding ride restrictions and safety protocols. We can also be reached at guestrelations@idlewild.com or 724-238-3666 extension 2227.
